

TENNESSEE GENERAL ASSEMBLY  
FISCAL REVIEW COMMITTEE

**FISCAL NOTE**

**HB 313 - SB 1201**

February 18, 2017

**SUMMARY OF BILL:** Requires the identity of a vendor that provides goods or services used to protect electronic information process systems, telecommunication and other communication system and data storage for the state to be confidential. Authorizes local governments to make such information confidential by affirmative vote of its governing body.

**ESTIMATED FISCAL IMPACT:**

**NOT SIGNIFICANT**

Assumptions:

- Under current law, pursuant to Tenn. Code Ann. § 10-7-504(i)(3), identities of vendors providing goods and services to protect government property for the state are considered confidential. Identities of vendors providing such services to local governments are authorized to be confidential by affirmative vote of the local legislative body.
- Based on information provided by Finance and Administration (F&A), staff of Strategic Technology Solutions (STS) currently redacts the names of confidential vendors.
- Based on information provided from F&A, this legislation will not impact STS resources.
- Any vote to make the identity of a local government vendor confidential in accordance with this legislation will occur during a regularly-scheduled meeting of the governing body.
- Any fiscal impact resulting from clarifying what vendor information is confidential or what may be voted on to be considered confidential is estimated to be not significant.
